ISBN : #0691003955 | Date : 1992-07-13

Description :

PDF-3a98d | This book introduces one of the most powerful tools of modern economics to a wide audience: those who will later construct or consume game-theoretic models. Robert Gibbons addresses scholars in applied fields within economics who want a serious and thorough discussion of game theory but who may have found other works overly abstract. Gibbons emphasizes the economic applications of the theory at le... *Game Theory for Applied Economists*
