Description :

PDF-80b1e | This is a small book about a very important subject. A lot has been written about trust: about what it is and what it can do for people, families, companies, communities and countries. Often, good work is being sabotaged by interpersonal conflict, political infighting, paralysis, stagnation, apathy, or cynicism. Almost always, one can trace these problems to a breakdown in trust. It not only kills... *The Thin Book of Trust; An Essential Primer for Building Trust at Work*
