Description :

PDF-60b5b | How many self-help books are written by authors whose biggest success is selling self-help books? New York Times bestseller Three Simple Steps is different. Despite stock market crashes, dot-com busts, and the specter of recession, the author started a virtual company from home, using a few thousand dollars of his savings. A few years later, without ever hiring an employee or leaving his home offi... *Three Simple Steps: A Map to Success in Business and Life*
