Description :

PDF-7f295 | This book examines contemporary changes in labor market institutions in the United States, Germany, Denmark, Sweden, and the Netherlands, focusing on developments in three arenas - industrial relations, vocational education and training, and labor market policy. While confirming a broad, shared liberalizing trend, it finds that there are in fact distinct varieties of liberalization associated with... *Varieties of Liberalization and the New Politics of Social Solidarity (Cambridge Studies in Comparative Politics)*
