Description :

PDF-94ad0 | Ancient China collides with newfangled America in this epic tale of opium smugglers, sea pirates, and dueling clipper ships. Brilliantly illuminating one of the least-understood areas of American history, best-selling author Eric Jay Dolin now traces our fraught relationship with China back to its roots: the unforgiving nineteenth-century seas that separated a brash, rising naval power from a batt... *When America First Met China: An Exotic History of Tea, Drugs, and Money in the Age of Sail*
