Description :

PDF-1c6c7 | The Zero Dollar Car, written by John Ellis, former head of technology at Ford, explores the deep changes that Big Data will make to our lives in the very near future. A car is a perfect example. Right now cars are outfitted with sensors that gather valuable information about the driver and road conditions. What if the driver could trade that information for money? That information could be so valu... *The Zero Dollar Car: How the Revolution in Big Data will Change Your Life*
